11. RUNNING DETAILS

11.1 General

The venue for the Event will be Mount Veters Station, Kanowna, WA, which is approximately 590km East of Perth.

The Event will consist of three sections run over two days. The Event surface will comprise a variety of clay, dirt, rock, gravel and sand.

Section 1 will be one lap of a course of approximately 121km. This section will have a competitive distance of approximately 121km.

Section 2 will be one lap of a course of approximately 121km. This section will have a competitive distance of approximately 121km.

Section 3 (WAORC optional) will be one lap of a course of approximately 121km. This section will have a competitive distance of approximately 121km.

Total competitive distance will be approximately 363km for AORC competitors and 242km for WAORC competitors.

The competition will start with **Section 1 at 10:00am on Saturday 21st October** and will be preceded by a prologue to determine starting positions.

Section 2 will commence at 6:40am on Sunday 22nd October.

Section 3 will commence at 1:20pm on Sunday 22nd October.

Each crew will be allowed three hours to complete each Section. Any *Automobile* not completing the full course in each section in the prescribed time will be deemed non-finishers for that section. **The Clerk of the Course reserves the right to stop any crew and prevent his/her continuation in any section at their sole discretion, should the Clerk of the Course deem it unlikely for that crew to complete the course within the allowed time (refer Article 11.9 Allowed Time).**

11.2 Reconnaissance

Reconnaissance of the full course in road registered vehicles only will commence at 8:30am Thursday 19th October. No vehicle will be permitted to commence reconnaissance after 11:00am.

Competitors undertaking reconnaissance in non-competition vehicles are reminded of Article 5.11.7 and 5.11.8 of the 2023 AORC Sporting Regulations, regarding signage on the vehicle. Each occupant of a vehicle undertaking reconnaissance must wear a seat belt.

Western Desert Racers Inc

Reconnaissance of the prologue course in competition *Automobiles* only will commence at 12:30pm Friday 20th October. No *Automobile* will be permitted to commence reconnaissance after 1:00pm. The maximum speed permitted on reconnaissance is 110 km/h.

11.3 Prologue

The prologue will be held on Friday 20th October, starting at 2:00pm. The length of the prologue will be approximately 14km.

The prologue start order will be determined by the Sporting Director, in accordance with Article 5.1.3 of the AORC Sporting Regulations. Prologue start times will be posted at www.kdrwa.com.au no later than 12:00pm Thursday 20th October and issued at Event check in. The latest acceptable time for lodging a request to change the prologue start order with the Organiser is the scheduled start time for the first Crew briefing

Competitors not finishing the prologue may apply to the organiser to be seeded. The closing time for applications for seeding will be 6:30pm Friday 20th October.

11.4 Dash for Cash

There will be the opportunity for ten *Automobiles* to compete for a winner take all cash prize of \$5,000. This will be an optional activity and positions in the Dash for Cash will be offered to competitors in order of prologue finishing position until all ten positions are filled. Crews will run one at a time over a shortened (approximately 3.5km) version of the prologue course.

Commencing at 6:40pm Friday 21st October, the ten Crews as a group will undertake a reconnaissance of the shortened course.

Following this, each Crew, from slowest in prologue to fastest will be permitted a solo reconnaissance, at the completion of which, the Crew will immediately fall under starter's orders to commence their timed run. Once all ten Crews have completed their timed run, the Crew to complete the course in the shortest time will be deemed the winner.

11.5 Course Marking

In addition to the standard signs as noted in Article 10 of the Off-Road Standing Regulations of the Motorsport Australia Manual, the following course marking signs will be utilised.

- Plastic Barriers, Tyres and Bunting

Plastic Barriers, tyres and / or bunting will be utilised in some areas and where used will constitute course markers for the purpose of penalties.

Western Desert Racers Inc
